# One Team. One Fight. One Goal.

Keep Pounding with Atrium Health's Levine Cancer Institute and Levine Children's Hospital in the fight against cancer.

In 2018, the Keep Pounding 5K raised \$150,000 for pediatric and adult cancer research and patient services at Atrium Health. Together, we can have an even greater impact on cancer in 2019.

Run or walk the 5K, or sign up as a "virtual" fundraiser at [KeepPounding5K.org](http://KeepPounding5K.org) today!

Donations to the Keep Pounding 5K (and year-round, to the Keep Pounding Fund) are used to fund:

#### Clinical Research

(Phase I & II cancer research trials)

Patient Navigators

Wellness and Survivorship Programs

Education and Outreach

State-of-the-art technology and equipment

(Improving cancer detection and treatment)

#### Event details:

- Spring 2019 (Starting line: outside of Levine Cancer Institute)
- Register to run/walk for \$30 (includes event t-shirt and race bib)
- Set up an individual or team fundraising page.  
**Fundraising requirement:** Individuals are asked to raise a minimum of \$51 in memory of Sam Mills, Jr., #51 for the Carolina Panthers. We ask teams to reach a \$1,000 fundraising goal or more, collectively.

For every individual or team who raises / donates \$5,000 or more, you may designate your donation(s) to a specific cancer area \* (Fund Designee) for Levine Cancer Institute or Levine Children's Hospital. A Foundation staff member will contact you to coordinate your gift-designation.

\*All undesignated funds will be allocated to the cancer research areas of greatest need at Levine Children's Hospital and Levine Cancer Institute.

## Uniting as One to Pound Out Cancer

Created by the Carolina Panthers and Atrium Health Foundation in 2004, the Keep Pounding Fund supports cancer research efforts throughout Atrium Health. Since its inception, the Keep Pounding Fund has raised more than \$2 million to help support cancer programs at Atrium Health's Levine Cancer Institute and Levine Children's Hospital. You can help make life better for a patient who is facing cancer, spread awareness, and contribute to vital research.

Your support enables both Levine Cancer Institute and Levine Children's Hospital to offer new Phase I and Phase II clinical trials. Thanks to these clinical trials, families have access to the most advanced treatments available where it matters most - close to home.
