One Team. One Fight. One Goal.

Keep Pounding with Atrium Health's Levine Cancer Institute and Levine Children's Hospital in the fight against cancer.

In 2019, the Keep Pounding 5K raised \$150,000 for pediatric and adult cancer research and patient services at Atrium Health. Together, we can have an even greater impact on cancer in 2020.

Run or walk the 5K, or sign up as a "virtual" fundraiser at KeepPounding5K.org today!

Uniting as One to Pound Out Cancer

Created by the Carolina Panthers and Atrium Health Foundation in 2004, the Keep Pounding Fund supports cancer research efforts throughout Atrium Health. Since its inception, the Keep Pounding Fund has raised more than \$3 million to help support cancer programs at Atrium Health's Levine Cancer Institute and Levine Children's Hospital. You can help make life better for a patient who is facing cancer, spread awareness, and contribute to vital research.

Your support enables both Levine Cancer Institute and Levine Children's Hospital to offer new Phase I and Phase II clinical trials. Thanks to these trials, families have access to the most advanced treatments available where it matters most—close to home.

Donations to the Keep Pounding 5K (and year-round, to the Keep Pounding Fund) are used to fund:

- Clinical research (Phase I & II cancer research trials)
- Patient navigators
- Wellness and survivorship programs, education, and outreach
- State-of-the-art technology and equipment (Improving cancer detection and treatment)
