

Purchase a sign in honor or in memory of a loved one.

Please help Hospice of Union County and Hospice of Anson County continue to provide end-of-life care and services for patients and families in our community by purchasing a sign to honor or memorialize a loved one. For your donation of \$150, we will display your 24"x 24" sign at Providence Country Club during the tournament's opening ceremony with a balloon release. We invite all memorial sign donors to join us for the opening ceremony and for lunch immediately following.

☐ In Memory ☐ In Honor of: _____

Hospice is an evidence based medical specialty that provides expert, personalized and compassionate care for those nearing the end of their life due to a life-limiting illness or disease for which there is no cure. Hospice care focuses on helping the patient feel as comfortable as possible, physically, emotionally and spiritually. Hospice care also extends support and comfort to the patient's family members and caregivers.
