Hopebuilders 5K **Set the Pace, Choose the Place!**

OCTOBER 24-30 | BENEFITING LEVINE CHILDREN'S HOSPITAL

Partnering with Atrium Health Foundation for the annual Hopebuilders 5K provides you the unique opportunity to connect with the Charlotte-Mecklenburg community to build brand awareness and show your organization's support of an important cause. As a partner, your support gives hope to children and families in our region.

This event reaches several key audience segments and provides a fun, entertaining, and engaging way for you to "wow" clients, vendors, and community members. Feel good about supporting our local children's hospital as you enjoy an unforgettable family-friendly event.

Your support gives kids like Nolan hope for a healthy childhood and future.

Nolan was diagnosed in utero with Hypoplastic Left Heart Syndrome, a congenital heart defect where the left side of the heart is severely underdeveloped. A week after he was born, Nolan had his first open-heart surgery. During this time, his family witnessed the generosity of their community and the incredible support from the staff at Levine Children's Hospital. At seven-months-old, Nolan had his second surgery, which went well and resulted in his shortest hospital recovery. During his third heart surgery, at the age of three, Nolan had a brief loss of oxygen to his brain which resulted in a traumatic brain injury. Though he had a rough recovery, he was able to go home to regain his strength and come off his feeding tube. Nolan started school and showed how bright he was and has grown to love math, the alphabet, and science. He also has a love for owls and horses. Today, Nolan is enjoying second grade alongside his twin brother and continues to live life to the fullest.

ATRIUM HEALTH:

SUPPORTING world-class pediatric care

Atrium Health's Levine Children's Hospital has been providing world-class care to children and families since 2007. This year, marked the 14th consecutive year that Levine Children's Hospital was ranked as a Best Children's Hospital by U.S. News & World Report. Thanks to the support of our community, the hospital opened debt-free, allowing Atrium Health to put resources into enhancing existing services, building new programs, attracting the country's best medical staff, and acquiring state-of-the-art equipment.

OCTOBER 24-30 | BENEFITING LEVINE CHILDREN'S HOSPITAL

Giving Children Hope for a Healthy Future

The Hopebuilders 5K was founded 26 years ago by two local families whose children, both battling cancer, had to seek medical care outside of Charlotte. Although they sadly lost their fight to the terrible disease, their families decided to join forces and make a difference for others. Since that time, the Hopebuilders 5K has become a flagship community fundraising event for Atrium Health Levine Children's Hospital, bringing together more than 1,000 runners, donors, sponsors, and advocates annually to build hope for sick and injured children.

Set the Pace, Choose the Place!

To ensure the safety of our patients, teammates, and the greater Charlotte community, Atrium Health Foundation will transition this year's Hopebuilders 5K to a fully virtual race and celebration. From Sunday, October 24 to Saturday, October 30, "set the pace and choose the place" as we help build hope for patients of Levine Children's Hospital!

Extend your company's visibility and increase brand loyalty:

Sponsorship of the Hopebuilders 5K provides your company recognition as a business that gives back to the community and defines itself by social responsibility. Consumers today look to companies and organizations who not only provide superior products and services, but also act as part of the solution for challenges we face in society. Our past sponsors have greatly benefited from their sponsorship, reporting that their sponsorship of the Hopebuilders 5K led to:

- Increased awareness of their brand and corporate identity.
- Increased access to a targeted and captive audience of consumers.
- Increased social media footprint with added exposure on Facebook, Twitter, and Instagram.
- Gained valuable cause-marketing exposure via donor publications and digital fundraising campaigns reaching more than 7,000 donor households, and more than 40,000 web visitors.*
- Gained valuable cross-promotion and networking opportunities with other sponsoring corporate entities.

*40,000 = average event website visitation from launch of registration (Aug) to event-month (Oct)
