

BENEFITING HOSPICE & PALLIATIVE
CARE OF CABARRUS COUNTY
PROGRAMS, SUCH AS WINGS TO SOAR,
A COMMUNITY GRIEF PROGRAM FOR
CHILDREN, TEENS AND ADULTS

Wings to Soar is a community-supported grief counseling program designed to give children, teens and adults the special support they need in dealing with the death of a friend or loved one. This bereavement counseling program is provided at no cost to the community.

Services are offered in groups, schools, one-on-one and through our annual Wings to Soar grief camp for children and teens. The goal is to teach those grieving that grief is not about forgetting, but about remembering with less pain.

You don't need to be serviced by hospice to attend camp.

For more information about
Wings to Soar, call 704-935-9434
or email Shea.Collins@AtriumHealth.org.

Hospice & Palliative Care of Cabarrus County provides expert, personalized and compassionate care for those nearing the end of their life due to a life-limiting illness or a disease for which there is no cure. Hospice care focuses on helping the patient feel as comfortable as possible, physically, emotionally and spiritually. Hospice care also extends support and comfort to the patient's family members and caregivers.
