Women's Health Services Fund Designations

WOMEN’S HEALTH SERVICES ADVANCEMENT FUND

Supports advancements in women’s health by expanding research opportunities and creating programs and educational initiatives to improve access to care for women from all walks of life. Also support for research and innovation projects.

THE WALLACE C. NUNLEY, JR. ENDOWMENT FOR WOMEN’S HEALTH

Provides annual support for resident research and education programs, as well as notable faculty educational endeavors associated with the Department of Obstetrics & Gynecology at Carolinas Medical Center.

THE ATRIUM HEALTH IVF FAMILY FUND

The Atrium Health IVF Family Fund provides support for patients with infertility that require financial assistance for assisted reproductive techniques such as in vitro fertilization and frozen embryo transfer at the Reproductive Medicine and Infertility center.

THE FRANK N.H. HARRISON SOCIETY FUND

The Harrison Society Fund was established in Dr. Harrison’s honor in 2012 to establish the Alumni Society of the ObGyn Residency Program at Carolinas Medical Center, now Atrium Health. The Fund also serves to promote professional interaction, fellowship, and educational activities for all Residents and Faculty associated with the program.

THE RONALD V. WADE LECTURESHIP ENDOWMENT

The Endowment supports a distinguished annual lecture in the field of ultrasound or a related field in association with the Department of Obstetrics and Gynecology at Atrium Health. The Endowment may also support other resident research and education projects, as well as the advancement of faculty academic endeavors.
THE OB/GYN RESEARCH AND EDUCATION FUND

The purpose of this fund is to support a broad spectrum of resident and faculty research and educational endeavors, as well as other related programs, in association with the Department of OB/GYN.

THE WOMEN'S CARE DRIVE TO THRIVE MOBILE UNIT FUND

The Women’s Care Drive to Thrive Mobile Unit Fund provides funding toward the purchase of a mobile medical unit and operational costs associated with the Magic Bus, with services provided by Atrium Health Women’s Care Service Line.

ANNA'S GIFT FUND

Anna’s Gift Fund was established in 2007 to support families who are bereaved as a result of the loss of an infant cared for by the Maternity-related units at CMC. Funds support patient teaching and educational materials, all supplies needed to create a memory box, grief support-related educational programs for unit nursing staff, and additional needs that may arise for families and nurses in perinatal loss.
