

EVENT SPONSORSHIP OPPORTUNITIES

Lights for Levine

You're invited to this very special night as we shine flashlights on Levine Children's Hospital, and our patients shine them back. This is an evening of light, love, and a lot of fun for the whole community. There will be speakers (and maybe a few surprise guests), a station to make cards for kids in the hospital, hot chocolate, and more. Event activities begin at 6 p.m. Formal programming and lights will begin at 7 p.m.
